Judy's Adventure DX: A new GameBoy cute platformer coming to Nintendo Switch on June 11th

Judy fell asleep beneath a tree having a delightful picnic when a mysterious hand stole her house key! Judy's Adventure is a retro-inspired platforming quest packed with charm, secrets, and handcrafted challenges.

It will be released digitally on June 11th 2026 on Nintendo Switch, priced at \$5.99, with a special 40% discount during the first week of its launch.

Game description

Judy fell asleep beneath a tree having a delightful picnic when a mysterious hand stole her house key! She has to go on an adventure to retrieve her key and get home!

Judy's fuzzy feet make traction a little tough on smooth platforms, don't slip and fall! Make your way through a colorful forest, a golden city, metallic sewers, and more! What secrets await in your bunker?

Hidden throughout the game are challenge rooms. These rooms are designed to test your patience and skill! Beat all four and you'll receive trophies for each!

Judy lost her Game Girls, do you think you could find all four for her? They're scattered in out of sight locations and she can't remember where she put them last!

The Nintendo Switch release of this game has been vastly improved and includes exciting features such as rumble support, full screen bezels, unlockable art, and more! This exciting port is the best version of the game yet, packed with amazing features!

Features

- Cute and charming NPCs and story
- 8 distinct areas with over 140 rooms
- 4 challenge rooms and 13 achievements to test your skills
- Many unlockable extras: Art, songs for the jukebox and even playable betas of the game!
